

## **FISCAL NOTE**

### **HB 751 - SB 1007**

February 28, 2007

**SUMMARY OF BILL:** Requires amount of estimated savings to the State resulting from non-competitive negotiation to be included with requests for non-competitive contracts.

#### **ESTIMATED FISCAL IMPACT:**

##### **Increase State Expenditures – Not Significant**

Assumptions:

- This bill would require departments and agencies to include the amount of estimated savings to the State when requesting approval for non-competitive contracts. Performing an analysis to determine the cost savings to the State would increase state expenditures; however, such increase will be not significant.
- The Office of Contract Review (OCR) may incur some additional costs to revise the “Request for Non-Competitive Contract” form. The increase in state expenditures is estimated to be not significant.
